COMMUNITY CURB APPEAL CHECKLIST

The curb appeal of the community depends on each resident maintaining his or her property as completely as possible. For those who keep their homes and yards well maintained, the District thanks you for your efforts and good examples. We encourage all residents to pay particular attention to the following maintenance items.

- **Trash.** No garbage or trash cans or receptacles shall be maintained in an exposed or unsightly manner. Please take your receptacles out **the evening prior to trash day** and bring in to store the **evening of trash day**. Please note that this means they **CANNOT BE STORED BETWEEN UNITS**.
- **Snow Removal.** We have an updated snow removal map! We have posted the new map on the LVMD website. If you are unsure which sidewalk is your responsibility, please reference the map for clarification.
- **Pet Waste.** Please clean up after your pet. Pet waste stations have been placed throughout the community to help keep the community clean. We appreciate if everyone can do their part.
- **Basketball Hoops.** Please note that basketball hoops are only allowed to be out during use.

ADDITIONAL ITEMS

- **No parking signs.** There are designated no parking areas in the community, these need to be adhere to. There could be very serious consequences with parking in those areas, potentially including towing of your vehicle.
- **Speeding.** Please obey the speed limit within the community and remember to always make sure the pedestrians see you before you proceed through intersections or pull out from driveways or parking lots.
- **Leashes for pets.** Please remember the Littleton Village Metro District and City of Littleton's policy regarding leashing of pets – ALL pets must be on a leash at ALL times, unless at a designated off-leash park.
